CITY MOVES ON PUBLIC WORKS PROGRAM

Plan For Governing Body For New Hospital Is Approved

The Murray City Council last night approved a plan whereby the governing body of the Murray - Calloway County Hospital might be selected. The plan has already been approved by the Calloway Fiscal Court.

The plan accepted is patterned after that which is in use by the Warren County Hospital in Warren County, Kentucky.

The governing body which would direct the activities of the hospital would be composed of nine members, two of which would be the Mayor of Murray and the Judge of Calloway County.

One member each would be selected from nominations by the following groups: Chamber of Commerce, Junior Chamber of Commerce, Farm Bureau, the school system, the Fiscal Court, the City Council and the Bar Association. The groups mentioned above would make recommendations to the Fiscal Court and City Council and one member recommended by each group would be named. The nine persons involved would be the governing body of the hospital.

At the present time the hospital is operated by a board with a Board of Constituents from which new board members are drawn. The new board will be called the Murray - Calloway County Hospital Commission. As the board is formed terms of office will be from one to five years, staggered. When new members are added, they will have terms of three years each.

Persons recommended by the groups listed above, do not necessarily have to be a member of the group mentioned. Members of the commission will receive \$25.00 per meeting. A motion was passed last night to amend the resolution

Miss Perryman Dies; Partner In Business

Miss Ruby M. Perryman, Hardin route one, died this morning at the Murray Hospital.

She was an active partner in the Hatching Post, a gift shop on Kentucky Lake at Aurora. Miss Perryman had wide acquaintances and many friends. She had taught school in Georgia, Missouri, Illinois, and Kentucky before going into business with her brothers and sisters.

Survivors include two sisters, Ethel Perryman, Hardin route one, and Mrs. W. H. Buxey, Hardin route one; three brothers, John D., and Robert I. Perryman both of Hardin route one and Harry E. Perryman, Paducah route four; and two aunts, Mrs. J. W. Frisbie, Mayfield and Mrs. Mary B. Hofer, Tulsa, Oklahoma.

Funeral services will be held Saturday at 2:00 p. m. at the Clinton Methodist Church. Burial will be in the church cemetery.

Friends may call at the Max Churchill Funeral Home until Saturday noon.

Murray High PTA Holds Open House

The Murray High P. T. A. held its annual open house last evening with one of its largest attendances on record.

Harvey Ellis, Murray High School P. T. A. Chairman, presided over the meeting and Mrs. Ed Frank Kirk, City School Chairman, gave a brief welcoming address.

The program was opened with several musical selections by the Murray High Glee Club under the direction of Mrs. John Bowker, Music director of Murray High School.

Following a short program the parents visited the rooms of their children and met and talked with the teachers who gave a resume of the work being done and the goals which they are striving to attain during the coming year.

Police Corner Two; But Both Escape Net

City, County, and State police officers attempted to corner Eddie and Jimmy Hargrove Wednesday night on Payne street, near the home of Mason Cassidy.

Sheriff Woodrow Rickman said both boys were wanted, Eddie on a contempt of court charge and Jimmy on a petty larceny charge.

State Trooper C. Stephenson first sighted the two in a car driven by Hughes Pritchett, and radioed city police who in turn contacted the sheriff.

Police searched for the two in the area and one of them ran into a hedge at the home of Sheriff Outland. Sheriff Rickman said that Outland fired into the air in an attempt to halt the boy, but both eluded police.

Police have been on the lookout for the two for several weeks. Pritchett was turned over to Marshall County authorities on another charge, and he was released this morning on bond.

4-H Member Wins Prize On Carcass

Glen McCuiston received the Grand Champion award on his beef carcass that was shown at the Beef Carcass Contest which was held yesterday at the Beef Packing Company at Union City. This contest was held in connection with the Purchase District Jr. Beef Show and sale held in Murray on Oct. 11.

Glen is a member of the New Concord 4-H Club and is the son of Mr. and Mrs. W. D. McCuiston of Murray, Route 5.

Others entered from Calloway and awards received included: Blue ribbon: Bobby Marshall, Murray College High, FFA.

Blue Ribbon: Joe Ginn, Murray College High F. F. F.

Red Ribbon: David Hull, Murray College High FFA; John Mahon, Murray College High 4-H and Michael Palmer, Calloway County High FFA.

White Ribbon: Rex Houston, Murray College High 4-H; Charles Elbridge, Murray College High FFA (2 animals); Rex Houston, Murray College High FFA and Rodney Scott, Calloway County High FFA.

These Carcasses were scored on grade, square inch of rib-eye, marbling within rib-eye, rib-eye area, fat over rib-eye and percent of lean cuts of carcass weight.

Glen's calf weighed 960 pounds alive and chilled carcass weight of 615 pounds. The marbling score was modest, 13.7 square inch of rib-eye, 2.23 square inch rib-eye per carcass weight, 5-10 inch fat over rib-eye, and yielded 52.6% lean cuts of the carcass weight. U. S. grade choice plus on the carcass.

Woman's Club Monthly Meeting Is Held Yesterday Afternoon

The regular monthly board meeting of the Murray Woman's Club met Thursday at noon. Mrs. C. C. Lowry, president, gave the devotional and Mrs. A. W. Russell, secretary, read the minutes.

Mrs. George Hart reported that the library committee was still working and needed money to operate on. Due to the shortage of funds caused by the cut in the amount of money asked of the contributors the committee is having to seek additional funds from any source available, as spokesmen said. The Murray Woman's Club has contributed \$1000.00. Departments that have made individual contributions are: Alpha \$75.00, Music \$75.00, Sigma \$65.00, and Zeta \$100.00. The other departments had not reported at this time. Mrs. Lowry reminded the members that the main projects for the year are the library and city beautification. The public works program of the federal government will build a library building provided a lot and the blue print for the building is furnished.

Mrs. A. F. Doran reported on some legislative changes in regard to the voting in of new members. The changes will be read at the March meeting, and will help clarify the rules in the construction.

A report was given on the fall board meeting held in Louisville. Those attending from Murray were Mrs. Lowry, Mrs. Hosick, and Mrs. Albritten. The board voted to participate again on Heart Fund Sunday. Also a check for \$5.00 will be sent to the Salk Institution Fund to help on their new building in California. All Federated Women's Clubs were asked to help on the worthy project.

The Red Cross Chapter of Calloway County asked the club to donate ten \$1.00 gifts to be wrapped and sent to Earl Campbell for Christmas. The Christmas department will do this for the club.

The 49th annual district meeting was held at Kentucky Dam Village Inn on Friday, October 26. The Benton Club will be hostess for the occasion. Coffee and registration will be at the Inn at 9:00 a. m., meeting held at 10:00, and luncheon served at 12:00. The lunch will be \$1.75 and reservations must be in by October 19. All club members are urged to attend.

Members present were: Mrs. Raymond T. Hewitt, Zeta; Mrs. Bethel Richardson, Sigma; Mrs. Robert Hornsby, Alpha; Mrs. G. C. Ashcraft, Home; Mrs. David Gowans, Music; Miss Vanda Jean Gibbons, Delta; Mrs. Ila Douglass, Creative Arts; Mrs. James Byrn, Garden; Mrs. C. C. Lowry, president; Mrs. Jack Kennedy, 1st vice-president; Mrs. James Rudy Albritten, 2nd vice-president; Mrs. A. W. Russell, secretary; Mrs. John C. Nancey, corresponding secretary; Mrs. A. F. Doran, legislative; Mrs. George E. Overby, house; Mrs. J. I. Hosick, yearbook; Mrs. George Hart, civic; Mrs. Cecil Faris, publicity.

Determination And Desire To Excel Wins Coveted National Award For Walter Steely

An indomitable young Calloway County farmer will return from Kansas City Saturday with the highest degree attainable in the Future Farmers of America.

Walter Lee Steely, a twenty-one year old farmer in the Green Plain community received the American Farmer Degree Wednesday of this week at the 35th National Convention of the FFA.

Only twelve other Kentucky FFA members were given this coveted honor. The Commonwealth is only allowed one candidate for the high degree for each 1,000 members.

Each American Farmer Degree candidate received a certificate and key from the organization and a \$100 check from the Future Farmers of America Foundation, Inc.

Partner With Brother

Walter and his brother Howard, an ag major at Murray State, are partners in 125 acres of land. He operates a farming program specializing in hogs.

The program has a goal of marketing 150 hogs each year. Walter keeps an average of eleven sows and has converted an old house into a pig parlor with six farrowing pens.

All of the hogs are fed on concrete flooring complete with automatic drinking water. The entire program right down to the feed-

ing formula is a scientific operation.

Even though specializing in hogs Walter's farming program is somewhat diversified. The boys grow five acres of dark fired tobacco and 30 acres of field corn.

Only about six head of dairy cattle are maintained at present. Some two years ago they switched from a grade "A" dairy to the hog operation.

Has Won Many Awards

Walter, a 1960 graduate of Murray College High, has been a member of the school's FFA chapter since a freshman. During that time he exhibited animals in practically every area and state show and has won countless ribbons and awards. His awards also include first place wins in showmanship.

Desired To Excel

Walter has achieved success because he had great desire and a determined will. Achieving a high goal may not have been as easy for him as most boys.

Mrs. Steely, Walter's dad, died in 1948. He left his widowed wife two small boys and a teenage daughter. But she courageously faced the future and instilled in her sons a great principal of life. . . . hard work is the secret to success.

Trial Of Connors Begins In Court Today

The trial of Bill Connors was to begin today but by noon a jury had still not been selected.

Connors is being tried on a charge of armed robbery. He is charged with taking the automobile of George Barrow, police officer of Hazel on the night of April 15 of this year, at gun point.

Connors wrecked his car on the night of April 15 at Hazel and was assisted by L. J. Hill. Hill drove his car to Policeman Barrow and the three of them got into Barrow's car to drive to Murray.

Hill related that Connors pulled a pistol out as they reached the Green Plains Church road intersection and threatened the two. After driving into Murray and Almo, the two were let out of the car near Penny where they called police. Connors was apprehended in a field in Marshall county the next morning at 10:25 and returned to Calloway County.

He is being tried at this time of court on the armed robbery charge.

Trio Gives Program At Rotary Club

Three Murray State College students were on the program yesterday at the regular meeting of the Murray Rotary Club.

Miss Janet Johnson of Louisville, rendered several vocal selections from Broadway musicals, "The King and I," "Westside Story," and "South Pacific."

Her rich, full throated renditions were well received by the listeners. Larry Wyatt, sophomore from Paducah, gave two selections on the trumpet. He also received applause from the club.

Miss Deanna Story of Calloway County, was the accompanist on the piano for both Miss Johnson and Wyatt. All three are music majors at Murray State College.

The program was introduced by Richard Farrell who was in charge of the program.

President Henry Holton reported to the club that an evening meeting was planned for November 15 when a rural-urban program is planned.

Engineer Hired, Plans To Be Readied For Passage Of Bill

The city moved quickly last night to qualify under the accelerated Public Works Program being pushed by the Federal administration, which involves a total of about \$500,000,000.

Evans McGraw of the engineering firm of Rowe and Company of Lexington, Kentucky, was present at the council meeting last night, and told the council that the cities and towns which had prepared plans under the program would probably be the ones to benefit the most.

The council approved the firm of Rowe and Company as engineers for the city to draw plans and discuss the feasibility of various public works projects in the city which might qualify under the program.

The firm will handle all architectural problems, plans, and surveys for the city at a standard rate. The firm at the present time has an office at Kuttawa.

Preston Ordway, chairman of the special projects committee of the city council, reported that a meeting of a committee composed of Joe Dick, finance committee, Prentice Lassiter, street committee, Mayor Ellis and himself, had investigated various engineering firms for the work and recommended Rowe and Company.

Mr. McGraw told the council that cities would participate in the program by matching dollar for dollar with the Federal government on the approved projects. Cities and municipalities will receive 30 per cent of the half-billion dollars to be used on new work.

Federal agencies such as the Department of Interior, forestry, reclamation, etc. will receive the bulk of the half-billion dollars, when and if passed by congress.

McGraw told the council that cities will compete, in some measure, with other cities and Federal agencies for the money. The cities which have an engineering firm representing them, have certain projects in mind, and file certain required forms with the Federal agency involved, will have a better opportunity of receiving part of these funds, he said.

Whatever cities do under the accelerated public works program, must be over and above what they are doing now, McGraw continued. Almost any project is acceptable with the exception of school buildings, he said.

This includes extension to gas systems, water systems and sewer systems, new streets, curbs and gutters, bridges, library building, airport work, hangars, etc.

No one state can receive more than 10 per cent of the gross amount for projects in the state, he said.

Whatever funds are received under the program, must be matched by the city involved.

The time of completion of a project, and the number of persons employed on a project, will have some effect also as to the approval of a project, McGraw said. Projects should be well under way by July of 1963, he continued.

Cities are raising their fifty per cent of the funds by using money in the general fund, by assessing

When all the visits are completed a report will be issued evaluating the information received in relation to Murray's development efforts. The Evaluation Report will be made as a guide and check list, to make sure that every effort is made that could result in a new plant and new jobs, a Chamber of Commerce spokesman said.

PICTURES SLASHED

PARIS (UPI) — Nine pictures worth a total of \$400,000 were slashed last Sunday night at the Louvre Museum, reliable sources said today.

The pictures included "Portrait of a Man" by De Vries and "The Hunt Breakfast" by Van Loo.

A Louvre guard discovered the slashings last Monday morning and museum officials ordered all staff members to keep silent about it, according to the sources. Culture Minister Andre Malraux assured he in this decision, they occurred.

There was no immediate indication that the authorities have apprehended the person responsible for the destruction.

Racers Meet UT Saturday At Martin

Murray State College's football team steps outside the Ohio Valley Conference this weekend for a Saturday night encounter with University of Tennessee Martin Branch at Martin, Tenn., and if racer fans are expecting a breather, they can forget it.

Martin, which has been pointing to the Murray State game since the start of the season, is unbeaten in three games and reports have it that the Vols have one of their strongest teams in recent campaigns.

The Vols have recorded impressive victories over Austin Peay, Arkansas State Teachers College, and Missouri Mines, and scouting reports list them as "an eager, aggressive team that likes to knock."

"UTMB has a good-sized line and a backfield with above average speed," said Coach Don Shelton, "and they're after our hides."

Shelton acknowledged that Murray had a rough time with Saturday's 14-13 loss to Morehead, will not be at full strength for the Martin tussle.

Regular halfback Vic Kuba and Tackle Harry Kotagides, who is the racer kicking specialist, will miss their second consecutive game. Other injuries belong to punter Freddy White and defensive halfback Jerry Shelton.

Martin also is ailing, as its top halfback, Wilbur Edmonson, has been kept out of action because of an injury suffered early in the season. He may be back in action Saturday, according to reports from Martin.

The Vols have had to shift a quarterback to halfback because of injuries, but it appears that the switch was made without damaging the Vol offense. The converted player, Ted Sines, caught two touchdowns passes in Martin's latest victory, a 26-14 triumph over Missouri Mines.

Other Vol standouts include Quarterback Vernon Prutner, who passed for three touchdowns against Missouri Mines, and Halfback Bob Zachary, who ran 64 yards for a TD in that same game.

"We know we have our work cut out for us," Shelton concluded, "and we only hope our boys can battle back after the disappointing loss to Morehead."

Game time is 8 o'clock C.S.T.

San Francisco Giants, Counted Out More Times Than Any Team In Baseball History, Need To Come Up From Floor Again

By LEO H. PETERSEN
United Press International

SAN FRANCISCO (UPI) — The San Francisco Giants, counted out "more times than any team in baseball history," needed to pick themselves off the floor once more today in the rain-thrashed sixth game of the World Series to stay alive against the New York Yankees.

There was a good chance, however, that the Series would be postponed for at least another day because of rain. The forecast from the Weather Bureau said there is "a 90 per cent chance of rain Friday," with predicted "gale winds of 30 to 45 miles per hour."

A low pressure storm center 1,000 miles west of San Francisco moved "rapidly eastward" and was expected to hit the city before game-time of noon (PDT).

With the Yankees leading the series, three games to two, it appeared that the two scheduled starting pitchers, Whitey Ford of the Yankees and Billy Pierce of the Giants, would get another day of rest.

The 1962 Series, which began a day late because of the National League playoff, later was delayed another day when rain washed out Tuesday's scheduled fifth game in New York.

Confident Of Ford
Even with another rain-out, however, this would not be the most rain-plagued series in history. Back in 1911, when the Giants played the Philadelphia Athletics, the scheduled fourth game was rained out six straight days.

Manager Ralph Houk of New York was confident that Ford would close out the Series in the sixth game and clinch the Yankee 20th world championship.

And Al Dark, skipper of the Giants, was just as confident that his team would extend the Series to its limit of seven games.

"We must have been counted out more than 50 times this season," Dark reiterated. "We were counted out more times than any team in baseball history. But we always came back."

"I've said it before and I'll say it again. I believe the Series will go seven games. The team that wins the seventh will win it all."

The oddsmen leaned toward Houk's views rather than Dark's. With Ford pitched a second straight game, the Yankees were 61 to 5 favorites to win the sixth game and 31 to 1 to win the Series. Houk said that he would stay with the lineup and betting odds that has brought the Yankees to within one victory of a second straight world championship.

Dark, however, announced two changes in the Giants' lineup. Kuenn, Cepeda To Start
He said he would play Harvey Kuenn in the outfield in place of Marty Pate and would start Orlando Cepeda to first base in place of Willie McCovey.

Although this gave the Giants two more right-handed hitters against southpaw Ford, neither Kuenn nor Cepeda has made a hit in the Series. Kuenn was 0-for-8 and Cepeda 0-for-12.

Dark said he also was undecided whether Tom Haller or Ed Bailey would catch.

The Giants' pitcher, who arose early with the idea of conducting a workout at Candlestick Park

and then went back to bed when it appeared obvious that no practice could be held in the rain, insisted that any delay because of bad weather "would neither help nor hinder either club."

Houk, upon learning that the workout was postponed by the weather, conducted a press conference at the downtown hotel where the Yankees are quartered.

Houk Was Chipper
He was chipper and relaxed as he told a room-full of newsmen that he planned to start Ford in the sixth game "because we are going with our best and let the chips fall where they may."

"We'll have our best pitcher going for us and you always have to feel you have a good chance of winning when Whitey is pitching," he said.

"I was going to start Ford in the sixth game whether we won or lost in New York on Wednesday," Houk continued. "He will be pitching on the fourth day

(after his last start), just as he's done most of this season and last year. He pitches better on the fourth day than if he had an extra day's rest."

Ford has won a record 10 World Series games, against four defeats. He won this year's opener, 6-2, and left last Monday's game with the score tied at 2-2 in the sixth inning.

Houk said that Bill Stafford, winner of Sunday's game, 3-2, was "well - rested" and would pitch in the seventh game, if that were necessary.

Business Guild Meets At Home Of Mrs. C. S. Lowry

The Business Guild of the Christian Women's Fellowship of the First Christian Church met Monday evening at seven-thirty o'clock with Mrs. C. S. Lowry at her home on the Olive Boulevard.

Mrs. George Hart and Mrs. Kirk Pool presided over the business and study periods. Mrs. Ollie Barnett gave the devotion with scripture from Philippians 2:1-18, 1 Corinthians 12:1-14 and 26-27, and led in prayer.

Mrs. Vernon Riley used for the program several articles written about the ministry to special needs through the National Council of Churches. Among these ministries are the services rendered special groups such as the Indian Americans and migrants.

The past month's work was reviewed by Mrs. Maurice Crass. She called attention to some of the events of the coming months: District family meeting in Paducah October 28, a rummage sale third Saturday in November for the benefit of the Student Center, and for Woman's Day, the third week in December when Mrs. Ralph Palmer, who with her husband are missionaries with YAKOMI Indians in Washington, will be the speaker.

During the business session a plea to all women was made for special clothing to be left at the church before November 1, to be sent to the suffering people of South East Asia through the National Council of Churches.

A visitation program made by Mrs. Hart and Mrs. H. B. Bailey Jr. was adopted and reports will be given at the November meeting.
